Join us Thursday, October 8, for Crossroads' Neighbors Helping Neighbors!

This year's event is more than a fundraiser—it's an opportunity to be part of a remarkable milestone. Be among the first to experience **an exclusive preview of our new Health & Housing Apartments before they officially open their doors.**

Together, we'll celebrate the completion of **Rhode Island's first permanent supportive apartment community designed specifically for medically vulnerable adults experiencing homelessness**—an innovative model that combines stable housing with on-site health care and supportive services. You'll hear firsthand how this transformative new community will provide safety, dignity, and hope for dozens of individuals as they rebuild their lives.

Your support helps make this work possible. Proceeds from the evening benefit Crossroads' essential programs, including permanent housing, emergency shelter, case management, and education and employment services. Last year alone, these programs helped nearly 4,800 men, women, and children move toward stability and a place to call home.

Enjoy an evening of meaningful connections, inspiring stories, and exceptional fare by Russell Morin—while **celebrating the power of community and the life-changing impact we can make together.**

Come get an exclusive first look at our new **Health & Housing Apartments!**
